

## Enhancing the Inclusion of Immigrant and Refugee Children in European Classrooms

# About the project

INTER-ACT project aims to equip Primary Education Teachers with Inclusion Guidelines and an Interactive Learning Tool in order to enhance the inclusion of refugee and immigrant students in EU classrooms.

The project includes the development of the INTER-ACT Book which will take all students in a classroom through a narrative story and its pages will include puzzles and activities that will challenge students to work together in order to solve them and achieve goals. Through this activity, students will develop their interpersonal skills, they will learn about each other and how to work together, exchange cultural experiences and at the same time, will learn about Europe and European Values.

## Kick off Meeting in Sicily

*The INTER-ACT Project Team met on January 23<sup>th</sup>, 2024, to celebrate the project's initiation and start planning the next steps about the development of the Interactive Book and the implementation of Methodology.*

*The meeting was a complete success and the following objectives were set.*

During the 1st semester of the INTER-ACT project, activities revolved around the development of the INTER-ACT Book and Assessment Quiz and WP4 INTER-ACT Methodology.

- ❖ The team worked together to create the target group questionnaires for Methodology through analysis of the learning needs of students and teachers.
- ❖ Each partner collected 20 questionnaire samples from students for the development of Book Concept and 10 questionnaire samples from teachers, for analysing their learning needs related to inclusive education.
- ❖ The consortium worked together on Methodology Chapter, consisted of Inter-Act Book's Topics.
